Foreword

The Bill of Rights, our central theme, brings to the minds of the members of The Slate Staff the four freedoms for which our country is fighting to protect — speech, press, religion and assembly. This last thought we wish to leave with the youth of the graduating class, that they may go forward to protect, cherish, guard, and defend these, our inalienable rights.

Left to right: Fred Finkbeiner, Robert Davies, William M. Metzgar, Reimer Speer, Evan Owens, Harry O. Eisenberg, Samuel Grigg, William E. Dutt, Daniel Miller.

Bangor School Board

During the past year our school board has accomplished many things that serve to advance and further our school district in education.

Regarding our physical plant, the school board has launched a program to improve the lighting, flooring, heating and painting. The curriculum has been liberalized through correspondence courses and a special course in drama. The health of our students has been given attention through a full tuberculosis program, audiometric testing, and the Eames Eye test. Teacher salary increments for advanced training is continued. Mathematics projects were approved to discover adjustments for individual needs. The elementary field has conducted an integrated program in English and social studies on Latin-American relations.

It is for these fine and splendid things that the students of Bangor School District wish to thank their School Board.

Dedication

For his many great services and his unbounded interests as a member of the faculty of Bangor High School, we, the Class of 1942, with sincere appreciation, dedicate this issue of the SLATE to Mr. Arnold F. Wynne.

As the literary adviser of the SLATE, Mr. Wynne has been largely responsible for pulling our publication from out the sluggish depths into which it had fallen and converting it into a snappy, first-rate magazine.

The boys in the Hi-Y have for several years known him as their faithful and inspiring adviser. He has given his untiring support and acute attention to every sport, every athletic event ever held by this high school. Our athletes have known his encouragement, and he has served as a model for them in every respect.

Now, in our country's time of need, Mr. Wynne has volunteered his services to our armed forces. There is no doubt that everyone in Bangor High School will miss him next year. But we know that he will devote himself to his duty as a soldier with the same zeal which distinguished him as a teacher.

We are sure that Bangor's loss will be our country's gain.

Third Row: Mr. J. Williams, Mr. Pollen, Mr. O'Hora, Mr. A. Williams, Mr. Evans, Mr. Thomas, Mr. Wynne, Mr. Hess.

Second Row: Miss Holland, Miss Eyer, Miss Stoddard, Mr. Schwarz, Mr. Capobianco, Mr. Smith, Mr. Cunningham, Mr. Mauger, Mr. Schmoyer.

First Row: Mr. Keat, Miss Roche, Miss Oxford, Miss Armstrong, Miss Grove, Miss Boyer, Miss Staples, Miss Miller, Mr. De Haven.

Seniors

We, the graduating class of 1942, wish to offer our thanks and appreciation for the untiring efforts and encouragement of our adviser, Mr. Charles De Haven.

Class Motto — Eternal Vigilance is the Price of Liberty.

Class Colors — Grey and Garnet.

Class Flower — Red Carnation.

Class Symbol — The American Flag.

Senior Class History

Contrary to the usual custom we organized our freshman class with the largest enrollment ever known in the history of Bangor High School. Our social events for that year were a skating party and a memorable Hallowe'en party.

During our sophomore year we saw more participation in clubs and became accustomed to the gaiety of extra-curricular activities. Another party entertainment consisted of a balloon basketball game, a treasure hunt and relay races.

Things really began to happen in our junior year for now we were to start our reign of successes. A Thanksgiving dance, which turned out to be a gala event, attracted hundreds of people. When the new class rings started flashing we began to realize how near at hand our Junior Banquet was. On May 23 our "big moment" had at last come. Will our teachers ever forget those colorful kerchiefs?

Our senior dance was held on Thanksgiving and the spotlight was focused on Indian motif.

On April 9 and 10, "What A Life" the Senior play was presented in the high school auditorium and once again our cooperation resulted in a great success.

The class gift, consisting of lighting fixtures for six rooms in the old building, was accepted with gratitude by the School Board.

Then came the grand finale of our high school days, the Senior Banquet held at Buck Hill Inn on May 1, 1942.

Without realizing it our four years had come to an end.

Lower Classes

Junior Class

The first important meeting of the Junior class was to elect officers. Those elected were:

<i>President</i>		BRYMER ROBERTS
<i>Vice President</i>		MILTON BUTZ
<i>Secretary</i>		MADGE FINKBEINER
<i>Treasurer</i>		VIRGINIA HONEY

Then, we had to prepare an assembly program. We presented a pantomime entitled "Pokey Huntus." The Bangor High School pupils enjoyed it, and, now, we have been asked to show it to the East Stroudsburg High School pupils.

The next event was our Christmas dance. The dance brought in a large profit which will help towards our school gift.

In January we received our class rings. We did not select the standard ring but a new ring favored by the large majority of the class.

Everyone in the Junior Class is looking forward to the Junior Banquet, which will be held on May 15, at Buck Hill Inn.

Sophomore Class

<i>President</i>		JOYCE KAISER
<i>Vice President</i>		ANITA STRUNK
<i>Secretary</i>		HELEN HUGHES
<i>Treasurer</i>		JANET ARNTS
<i>Adviser</i>		MR. VON MAUGER

Bang! A whaling good assembly program opened up our Sophomore year. It was given to the Junior and Senior High School on November 6 and 7, respectively. The main feature, a true masterpiece, was a playlet called "They Gave Us Freedom," written by our class adviser, Mr. Von Mauger, and enacted by our own up-and-coming young starlets. (Too bad there were no talent scouts around). Piano selections were given by more of our future Paderewskis. The Sophomore trio, made up of Janet Arnts, Dolores Schneebeli, and Cora Moose, showed real musical inclinations.

In December, we class members had a ripping good time at our Christmas party, held in the high school auditorium for the members of the Sophomore class and their guests.

We members of the Sophomore Class of 1941-42 deeply appreciate the effort and guidance of our adviser, Mr. Von Mauger, for his help through the year.

Freshman Class

Since the freshman class did not organize this year, nothing has been accomplished by us as a group. We did, however, despite the lack of organization, plan and hold a successful dance in the spring of the year for the benefit of the Red Cross.

Activities

The Slate Staff

Journalism caught us by the collar in September. Deadlines glared at us three times this year. Proof-reading was a job none of us "preferred," but everyone shared. We looked at blank pieces of paper forlornly. Mr. Wynne said, "Write." We wrote. We proof-read. We published. After all the year's grind, experience, and fun, we regret to let journalism's hold on us go.

Student Council

<i>President</i>	DURWOOD KRESSLER
<i>Secretary</i>	FRANCES PRICE
<i>Treasurer</i>	JANE BUSSENGER
<i>Adviser</i>	MR. STIRLING C. SCHMOYER

The present Student Council is a union of the merging of two former organizations: the Student Council and the Student Representative Assembly.

Members chosen from each home room by election of the pupils themselves must be in the upper bracket of the class scholastically.

The purpose of the club is to represent the students in all matters concerning student government and student activities.

The first action of the club this year was the publishing and selling of handbooks which contained all the necessary information about the school and its activities. The greatest achievement of the Student Council this year was the procuring of the privilege of having evening Social Hours. Besides these two main accomplishments there were many other minor achievements which were made for the benefit of our school.

The members of the Student Council wish to thank their adviser, Mr. Stirling C. Schmoyer, for his invaluable guidance.

Our aim has been to develop and foster moral standards in each individual and in that way keep our school and our society on a lofty spiritual plane.

<i>Vice President</i>	ANTHONY SCHIAVONE
<i>Secretary</i>	JULIA FISHER
<i>Treasurer</i>	HENRY GAMBELLI
<i>Adviser</i>	MISS KATHRYN OXFORD

The Art Club's outstanding activity this year was the production of the annual marionette show "Aladdin and His Lamp." The story was adapted from the original Arabian Nights by Theresa De Franco. The marionettes were all hand carved from wood by Philip N. Sabatino.

This year the Art Club has had several demonstrations from people who have been active in various fields of art, show card writing, wood carvings, and paintings.

Many window displays, showing art work done in the Bangor High Schools were arranged in show windows in the business section of town, by the club members.

The Fifth Annual Art Show was held on May 14, 15, and 16, in the American Legion Hall. It was attended by approximately 1,000 people.

The club members enjoyed several informal parties, and the annual dinner theater party held in Easton.

The German Club, although late in getting started this year, looks forward to an active schedule for the remainder of the term.

The aims of our club are: first, so that the students become better acquainted with the mother language; second, so that the members acquire a better understanding of the cultural value of the language, the geographical and political conditions of Germany; third, so that they learn the ways, sayings, vocabulary, and songs of the German people.

This threefold aim is carried on very well under the direction of Mr. Stirling Schmoyer, the German teacher.

The band has had another active and pleasant year under the direction of Mr. Schwarz.

They participated in the Merchants' Association Hallowe'en Parade, Defense Program Meeting, and various holiday parades. They also did their part in making the football season a success by playing for every game. The annual Christmas and Spring Concerts were both a decided success.

The band is unfortunate in losing the following members through graduation: Arlene Finkbeiner, Charles Heard, Velma Pritchard, Jean Houck, Ralph Falcone, Donaldson Dietrich, Donald Weaver, Reagle Saltern, Louis Demilio, and Leonard Camilletti.

We, the Microscope Club, are organized to become more and better acquainted with the forms of plant and animal life. In recent years we have become affiliated with the American Society of Amateur Microscopists, a nation-wide organization whose membership includes many eminent scientists.

On March 27, we presented an assembly program featuring a skit by Joseph Viglione, lantern slides by Joseph Policelli, and a talk concerning the history of the organization by Durwood Kressler. Also on the program were xylophone solos by Vera Wagner and a poem read by Sidney Monas.

We extend our sincere thanks to Mr. Schmoyer, our adviser, for his efforts in making possible the accomplishments of our organization.

"To create, maintain, and extend throughout the school and community, high standards of Christian Character."

The club's principal activities of the year consisted of leading homeroom devotions, devoting liberal amounts to both the Red Cross and the Inter-racial Good-Will Project, and completing a Bible Study Contest under the direction of Rev. A. J. Schankel. This contest is sponsored annually by the State Y. M. C. A.

Our social activities have included a joint banquet with the Hi-Y at the Colonial Hotel, followed by a Cootie Party; two square dances, a Mother and Daughter banquet, a hike and a doggie roast.

The outstanding event of the year was a rally held on April 24, sponsored by the three "Y" clubs of Bangor. The dinner was served at the Methodist Church and was followed by a dance in the high school gymnasium. Clubs from both Lehigh and Northampton Counties sent delegates. Our speaker was Dr. Ivor Griffith, President of the Philadelphia College of Pharmacy and Science.

The Hi-Y joined the rest of the nation in becoming Victory minded and attempted to do their part by distributing and collecting Victory Garden cards. The boys entered into this task with the will and knowledge that they were helping to carry out a worth-while project.

One of the outstanding activities of the club was the sponsoring with the Tri-Hi-Y of a rally of the "Y" clubs in this district. Dr. Ivor Griffith, President of the Philadelphia College of Pharmacy and Science, was the main speaker at the dinner, and he also led the discussion. As we look back on this rally we feel quite sure it accomplished its purpose of promoting good fellowship and better understanding among the "Y" members of the neighboring schools.

Reagle Saltern, Raymond Miller, Roy May, Jay Cruver, Wilson Jackson, Carl Dorsey, and the club adviser, Mr. Arnold Wynne, attended the annual Older Boys Conference sponsored by the state Y. M. C. A., held at Easton.

The Tri-Hi-Y and Hi-Y banquet was indeed a most enjoyable way to start the club's social activities for the year. The rollicking good time at the dinner, and the fellowship and sociability enjoyed in the school auditorium will long be remembered. Later in the year the Hi-Y teamed up again with the Tri-Hi-Y to present a Senior High School Assembly program in the form of a quiz program. Jack Wynne, Wilson Jackson, and Roy May represented our group.

Principal activities of the year of the club consisted of leading the devotions in the Junior High School homerooms and joining a Bible Study contest under the auspices of the State Y. M. C. A., with Rev. A. C. Rohrbaugh, a local pastor, as leader.

We held social meetings every month of which the outstanding were a covered dish supper, a theater party, and a luncheon.

We also had a "Go To Sunday School" campaign in order to help fulfill our purpose which is: "To create, maintain, and extend throughout the school and community high standards of Christian character."

Bangor Leaders' Club

The Bangor Leaders' Club was organized for the first time this year with the following officers:

<i>President</i>	BETTY HEARD
<i>Vice President</i>	ELEANOR DUVO
<i>Secretary</i>	JULIA FISHER
<i>Treasurer</i>	SHIRLEY KNEEBONE
<i>Adviser</i>	MISS MARGARET ARMSTRONG

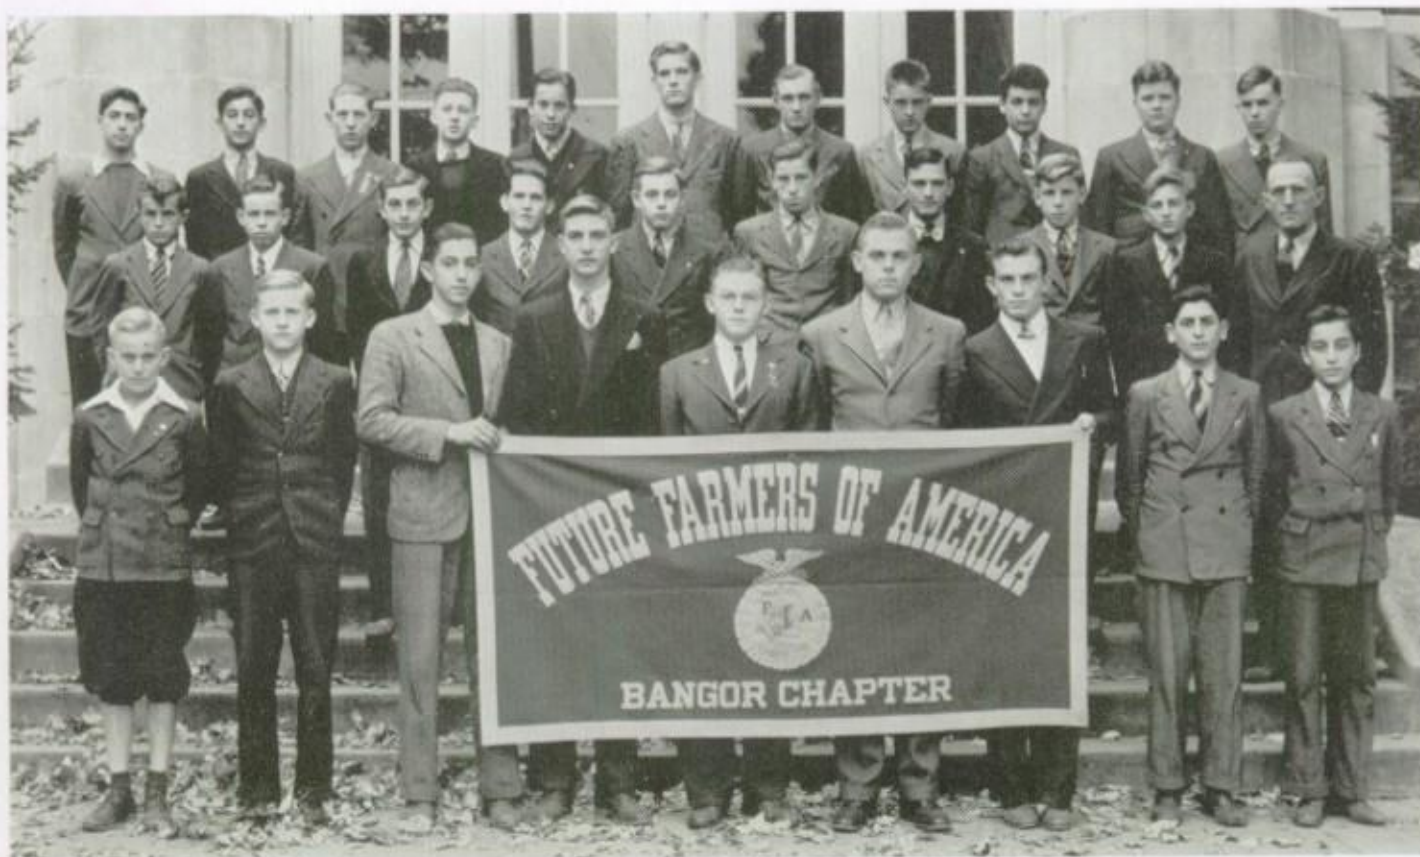

Our aim is to promote good leadership among all the girls of the school.

Our qualifications are: we must display good school citizenship; we must be able to accept responsibility; we must be neat in appearance; we must be well-liked by all squad members; we must be able to attend all meetings.

To distinguish ourselves from the other gym students, we purchased maroon, two-piece tunics. If any of us shows outstanding sportsmanship or leadership we receive a felt "L" to be worn on our suit. Additional awards will be given at the end of the year for the best sophomore, junior, and senior athletes and to the winner of the foul-shooting contest. These awards will be given by the club.

Among our activities this year was a successful bakesale. The club, with chaperones, enjoyed a spaghetti supper held in Roseto.

We would like to provide an instructor to take charge of activities on the playground for the summer months.

Third Row: Ralph Falcone, Nicholas Bocko, Norris Van Buskirk, James Shoemaker, William Bocko, Wendell Shafer, Ralph Horn, William Oberholtzer, Philip Vicario, Herbert Smith, Gerald Brown.

The Future Farmers of America is a national organization of boys studying vocational agriculture. The motto is:

"Learning to do,	Earning to live,
Doing to learn;	Learning to serve."

Under the guidance of Mr. Ott the club reached new highs for the last school year. In June 1941 the boys attended State College and came through with honors in four contests. At Wyckoff's Fair we won four prizes including first place; also a place was won at Harrisburg in the state contest.

At the roundup at Stroudsburg we won first place in quoits and second in basketball.

The annual Father and Son banquet turned out to be a huge success. This is the 6th year of this club in the High School.

The cheerleaders put all their efforts into these cheers, and you should have heard the yells.

We are sorry that Mary Jane Altieri will be leaving our sextette, but we are proud of the grand job she did this year.

May our successors find as much wholehearted enjoyment in cheering our teams on to victory as we have this year.

FEEDING for VICTORY

Today Uncle Sam asks every loyal American to do his part.

War Workers are asked to speed up production to the fullest. Others must help through the regular purchase of War Savings Stamps and Bonds. And to the farmers of Northampton County comes the call for more eggs, more milk and more meat.

The Flory Milling Company is proud of the part it is playing in helping these farmers produce more for Uncle Sam. Flory Poultry, Dairy and Stock Feeds have been streamlined to produce maximum results with minimum feeding costs.

If you are not feeding Flory Feeds now, it will pay you to try them and compare them with any other feeds. On the basis of results alone, we are sure you will soon agree that Flory Feeds are *equal* to any, yet they cost you less than many.
